Herzl-Ner Tamid is our Jewish home. It is in this home where we mark the most profound events in our lives as we celebrate and mourn with one another, and where we find friendship and support. It is where we link our contemporary day to day life with our tradition and with our spiritual souls. Built on the foundation of Beit Tefillah (House of Prayer), Beit Midrash (House of Study) and Beit Kinesset (House of Gathering), we embrace the full diversity that is the Jewish People of today.

We are a welcoming community that promotes the observance of sacred times, celebration of life cycle events, inspired life-long learning, the perpetuation of the state of Israel and acts of loving kindness. We are strengthened and enriched when we gather as a community within our building or in one another’s homes in common purpose. We are bound by our heritage and united in our resolve to create and nurture a confident future built on the values of Torah and of our people.

Our Legacy donors are members, like you, who are making a promise to our children, grandchildren and generations to come that they too will have a thriving Jewish community to embrace and enrich their lives. Legacy donors acknowledge the value, importance and centrality of our synagogue in the lives of our congregants and choose to join in ensuring its future. Herzl-Ner Tamid has a firm footprint in the Seattle area and remains dedicated to continuing to serve the needs of our diverse congregation at every juncture in our lives as we keep pace with the changing identity and needs of today’s American Jew.

A Legacy donation is an act of FAITH and an act of LOVE. By making such a gift we are demonstrating to our descendants and to our community of descendants that what we do at Herzl-Ner Tamid matters to us now and that we have faith that it will matter to others later. It may well be that very act which helps define us when memory is what is left behind.
