Congregation Kol Ami is a small and intimate Reform Jewish community on the North Eastside of the Puget Sound area. Our “Family of Families” welcomes and embraces the diverse needs and backgrounds of our congregants and nurtures personal connections through active participation in a vibrant Jewish community. We are a full-service congregation that provides spiritual, emotional, musical, social and cultural fulfillment for Jews and interfaith family members of all ages. We are flexible and responsive to families with special needs. Kol Ami demonstrates commitment to interfaith cooperation by sharing a sacred space with the Bear Creek United Methodist Church. Lifelong learning is embraced as we explore and examine our faith in its relationship to the modern world.

Our congregation is a safe and homey place to share the joys and sorrows of life cycle events. Some of the most meaningful moments of our lives have been shared with our Congregation Kol Ami family. We look out for each other as we provide care and support to those navigating through life’s challenges. We watch with pride as all of our children of different abilities come of age and take on the responsibilities of Jewish adulthood. Our youth programs offer meaningful opportunities for youth to become community leaders.

Our congregation offers thought-provoking study programs in Redmond and Kirkland that take place beyond our congregational walls and that invite a curiosity about Judaism and Judaism’s relationship to other faiths. Led by Rabbi Yohanna Kinberg, we perform mitzvot (good deeds) that enhance our community. Together, we take action to help repair what is broken in our physical and in our moral world.

Congregation Kol Ami has been selected to take part in the LIFE & LEGACY™ program sponsored by the Jewish Federation of Greater Seattle (JFGS). All funds generated by our community will be managed by the Federation and will help sustain Kol Ami for generations to come. Make a promise to your children, grandchildren, and future generations that they will have a thriving Jewish community in our local area to enrich their lives as Jews.

By establishing a legacy through a bequest or planned gift, you will plant the seed for future generations (L’dor V’dor) to benefit from all that Congregation Kol Ami has to offer now and in the future. When we generate 25 letters of commitment from supporters of Kol Ami during each of the first two years of the program, we will receive a grant of $10,000 which we will reinvest in our endowment.

Our Legacy donors are people just like you—people who want to see our congregation thrive for generations to come. Contact Donna Lurie, LIFE & LEGACY Team Lead, at donna.lurie@comcast.net or the Kol Ami office at admin@kolaminw.org to find out how to make a Legacy gift/bequest to Congregation Kol Ami. Now is the time to join our Legacy Circle! Thank you so much for your extraordinary generosity!
