“Be generous and you will be prosperous, Help others and you will be helped.”
—Proverbs 11:25

Temple B’nai Torah is a warm, welcoming inclusive Jewish home. We cultivate enduring relationships and promote varied pathways to grow through Reform Jewish values and practices.

- **Torah Centric Study and Community Worship**—We respect the path that each person travels affirming their personal connection to God and Torah. We create many onramps to worship and learning which reflect our varied needs and practices. Our doors are open to inter-faith families, members of all races, and the LGBTQ community. We embrace all in this beautiful mosaic which is our congregation.

- **Engaging Lifelong Religious Education**—We believe learning is a lifelong endeavor. From the earliest age, we provide creative educational moments which instill strong Jewish values. Whether you are born into Judaism, choose it later in life, or simply want to learn what Judaism teaches, Temple B’nai Torah offers a pathway for you.

- **Impactful Social Action**—We embrace our responsibility to work for the healing of our community and our world. We model the value of Tikun Olam by offering the homeless a place to put a tent, growing vegetables and leaving them for the hungry, ‘gleaning’ with our community garden or ‘greening’ our synagogue community. We believe that our hands and feet are part of the prayer language of our community and that when we work together to make our world whole, we elevate each other.

- **Sacred Stewardship**—We cherish the inspirational vision of our founding families and embrace the gifts that they have made to create TBT. We are mindful of our responsibility to move our community forward with a sustainable model of sacred giving that can empower each generation.

Our Legacy donors are people like you who believe the Temple is a place for inspiring worship, lifelong education and impactful social action. Through your generosity the Temple will continue to be a Jewish home for many generations to come.
